

# HOT WHEELS® RC NITRO SPEEDERS™

Hot Wheels® continues to innovate the radio control (RC) category with a new generation of micro RC vehicle, Nitro Speeders™.

- With lightning speed and precise responsiveness, Nitro Speeders™ RC cars deliver unprecedented performance that is sure to amaze boys of all ages.
- Nitro Speeders™ vehicles come in their own carrying case, which serves as the remote control and acts as a charger to keep the cars at peak performance for portable play and racing with friends.
- Nitro Speeders™ are the first micro RC vehicles that go fast enough to complete a full 360-degree loop.
- In 2011, Nitro Speeders™ will feature a Team Hot Wheels™ Ford Mustang GT, Chevy® Camaro® and the Ken Block Ford Fiesta.
